**QUALITY ASSURANCE POLICY**

SNG Barratt Group Limited is a long established independent Jaguar spares supplier known the world over. It is one of the largest independent Jaguar spares specialist in the world capable of not only supplying components but also making them.

The company is dedicated to the provision of high-quality products and services that fully meet the customer and applicable regulatory requirements consistently.

The company is committed to a policy of 'Right First Time' and to a policy of continual improvement in the quality of products, services and quality systems. It is a prime requirement of this approach to quality that each person recognises and accepts the company philosophy and accepts the responsibility for the quality of his/her own operations.

Through the effective application of the quality system we will seek to address all aspects of customer satisfaction and expectations by the application of operational monitoring and the prevention of nonconformity. Objectives relevant to the organisational goals, customers' needs and expectations will be established, monitored and reviewed and will be circulated to all company employees.

All operations will conform to the quality management system BS EN ISO 9001:2015.

This policy is available to be provided to all relevant parties with permission from the Managing Director.
